St. Mary Opens Geriatric Clinic at Long Beach Senior Center

(Long Beach, CA, May 14, 2010) – The 4th Street St. Mary Medical Center Clinic recently opened its doors in the Long Beach Senior Center at 1150 East 4th Street. The clinic provides free to low cost medical services to seniors, aged 55 and over, Monday through Friday, 8:00 am until 4:00 pm. Pharmacy consultations are also available to assist seniors with understanding their medications.

The clinic's physicians and care team provide internal medicine and geriatric services to promote a healthy lifestyle, enhance education, and preventive care. Services include specialty care in Cardiology, Geriatrics, Ophthalmology, Orthopedics, Endocrinology, Pulmonary, Rheumatology, and Podiatry. Every Wednesday from 9:30 – 11:30 am, the clinic offers a free screening. Screenings rotate and include blood pressure, glucose, cholesterol, body mass index, orthopedics, and fall and balance.

For more information on the services provided by the 4th Street St. Mary Medical Center Clinic, please contact (562) 491-9799.
